

"The process was excellent, challenging and sometimes uncomfortable! As a result I have settled into the Marketing Director role quickly and smoothly, have become a much more effective manager with a team who are really empowered... and we have a stronger marketing plan and results."

EH, Marketing Director, L'Oréal

"My confidence and perspective on work changed almost overnight. I have found my own leadership style, am able to really be myself at work and it works!... I have gone from feeling quite limited to now having so many options and ideas that I will need several lifetimes to do them all!"

SD, Supply Capability Manager, Diageo

"Quite extraordinary. It's an experience unlike anything I have ever known but at the same time, something so natural... Lisa has inspired me to lead my team in a way that will allow them to develop far beyond their own expectations. A very, very special talent!"

BW, Retail Gaming Manager, Top European Betting Company

"I have felt a sense of achievement in these sessions that I have not had with other mentors/coaches"

CP, Marketing Manager, Jamie Oliver Holdings

"Unique ... I have now experienced a brighter, more compelling way of unlocking potential - through engaging energy."

WC, HR Manager, Figleaves

"This has been a landmark experience. It has changed my view of myself as a leader - giving me a bigger vision of what's achievable, plus a tremendous clarity of purpose."

IR, Founder, Planet Whale

"Working with Genergy was truly inspiring... and the results to the business have been tangible and sustainable"

EF, International Business Development Director, Jamie Oliver Holdings

"Probably the most powerful piece of personal development i've had - ever. I know the whole of the Senior Management Team will echo those thoughts."

AL, Head of HR, Fifteen Foundation

Genergy delivers big transformations.

Sometimes, it's key individuals. Sometimes, it's in the way key teams work together. And sometimes, it's about how your whole business operates. In all cases, we fundamentally transform the way people lead, ignite others and improve performance.

Leaders love it, colleagues are inspired, and teams work better.

This transformation is permanent, yet simple. And it has immediate impact.

Genergy is change for good. Is your business ready for this?
